Train Me RTO – A Registered Training Organisation

Train Me is a Registered Training Organisation (RTO) No 70228, registered in NSW by the Australian Skills Quality Authority (ASQA). ASQA is the national regulator for Australia's vocational education and training (VET) sector and regulates course and training providers to ensure nationally approved quality standards are met. Train Me is accredited to provide training and recognition services according to its Scope of Registration within the *Standards for Registered Training Organisations (RTOs) 2015*.

Train Me is registered to:

- Deliver training and conduct assessments
- Issue nationally recognised qualifications in accordance with the *Standards for Registered Training Organisations (RTOs) 2015*.

What is the Standards for Registered Training Organisations (RTOs) 2015?

The *Standards for Registered Training Organisations (RTOs) 2015* is a set of nationally agreed standards that:

- Ensures the quality of vocational education and training and training services throughout Australia
- Ensures all Registered Training Organisations and the qualifications they issue are recognised nationally.

Qualifications

Train Me is registered to deliver training, assess competency and issue Australian Qualifications Framework (AQF) qualifications. (See *Appendix A for an overview of the AQF*). All training programs delivered and all qualifications issued by Train Me RTO are in respect of training packages or nationally accredited courses.

Training Packages and Accredited Courses

Training Packages are sets of training materials that have been developed by industry to standardise vocational education and training around Australia. They replace various state and territory VET courses and lead to nationally recognised qualifications. Nationally endorsed standards (within these training packages) describe the skills and knowledge needed to perform effectively in the workplace. Accredited courses are structured and sequenced vocational education and training courses.

Nationally Recognised Training

An AQF Certificate or Statement of Attainment issued by a Registered Training Organisation assures that participants are competent in the standards set by industry. A nationally recognised VET qualification (indicated by the Nationally Recognised Training [NRT] logo) means that participants have portable skills and qualifications that will mean something right around Australia.

Nationally Recognised and Accredited courses are identified in our course flyers and website by the Nationally Recognised Training Logo. Being nationally recognised ensures a high quality of course delivery along with portability of qualifications that are recognised by employers and Registered Training Organisations throughout Australia.

Structure of Courses

In general, courses are usually divided into various subject areas. Depending on which course you are undertaking, these subject areas are called units of competency (from a training package) or modules (from an accredited course).

Within each unit of competency (or module) there is a series of learning outcomes that reflects the skills or competencies that you need to be able to demonstrate competence in, in order to satisfy the assessment requirements.

Competence and Competency Standards

Competence can be defined as the skills and knowledge required to perform the tasks a job requires to the standards demanded by industry.

Competency standards (also referred to as national industry/enterprise competency standards) are national standards that set out the work skills and knowledge required for effective performance in the workplace and are defined by industry. Competency standards are an endorsed component of training packages or where no training package exists, as the basis for defining the learning outcomes of an accredited course.

Assessment Guidelines

Assessment against competencies will be conducted in accordance with the assessment guidelines and competency standards of the appropriately endorsed training package or accredited course.

Participants will be issued with a course outline containing details of all outcomes to be assessed within a unit of competency or module. Specific assessment criteria relating to individual courses will be available from the trainer.

Client Complaints and Appeals

Train Me RTO will act upon any substantiated complaint or appeal; these will be recorded into our RTO management system and will lead where appropriate to continuous improvement activities. The data entry responsibility lies with the National Training Manager.

A participant can complain about any aspect of our dealings with them, and the participant can appeal any decision we make, including assessment decisions.

In the first instance that a participant is unhappy or dissatisfied with an aspect of our service delivery, they should consult their trainer in an attempt to quickly resolve the issue.

If the issue is with the trainer, and the participant feels that they would prefer not to approach the trainer, then the National Training Manager is available to discuss the issue.

Should the complaint or appeal not be resolved in the first instance, then the participant is requested to formally lodge a complaint or appeal by completing either the complaint or appeal form these forms are available from the Trainer, or the National Training Manager.

This formal complaint or appeal will be entered into our Complaints and Appeals Register for tracking purposes. This is the responsibility of the National Training Manager.

Should the nature of the complaint refer to criminal matters or where the welfare of participants is in danger, Train Me RTO will, with the permission of the participant, seek assistance from other authorities such as the Police, legal representative or other parties as appropriate. Participant confidentiality will be maintained at all times as is consistent with NSW Law. Engagement of external assistance will be the responsibility of the CEO and the National Training Manager.

Upon Train Me RTO's receipt of the formal complaint or appeal, the National Training Manager will be responsible for resolving the issue.

This will involve at least a formal interview with the participant, the trainer (if appropriate) and the National Training Manager. If this is unable to resolve the issue, then the issue can be escalated to a mutually agreeable independent person or panel.

The complainant or appellant will be provided with a formal written statement of the resolution of the complaint or appeal; this will state the reasons for the decision.

The suitable independent person or panel, will need to be agreed upon by both the participant and Train Me RTO, this could include another external Trainer / Assessor, or it could include an independent commercial mediator. Costs for the independent person or panel will be borne by Train Me RTO. The CEO will negotiate the identification and engagement of the mutually agreed person or panel.

ASQA provides information on its complaints handling process at: <http://www.asqa.gov.au/complaints/making-a-complaint.html>

Please note, that the ASQA website advises that some complaints about refunds may be directed to the NSW Office of Fair Trading Ph. 133 220.

Assessment

Assessment tasks are conducted using various methods, but generally take place by way of theory and practical exercises. However, details of specific assessment tasks (in relation to a specific course) will be specified in 'Participant course information' relevant to each course, which is handed out at the beginning of a course.

To demonstrate competency a participant must show that they are competent in all units of competency or learning outcomes. Consequently, assessment tasks will measure all necessary competencies.

The assessment process will be valid, reliable, flexible and fair.

Assessment Results

A participant is deemed to be competent when all outcomes have successfully been completed within a unit of competency or module. The stated assessment outcomes in competency based courses are:

Competent: when the participant can demonstrate competency in all learning outcomes.

Not Yet Competent: when the participant has not yet demonstrated competency in all learning outcomes

A participant who fails to demonstrate competency in an assessment task can re-attempt that assessment task once (this does not include any WorkCover assessments), without having to re-enrol in the course. Such re-attempt shall be organised with the relevant trainer.

Appealing an Assessment Decision

If you are dissatisfied with the assessment result received you are entitled to have your assessment task reviewed. Appeals must be made within fourteen days of receipt of your assessment result. The mechanisms of appeal are as follows:

1. You must ask for a review of a marked assessment task by writing to the National Training Manager seeking a formal review and completing the 'Appeals Against Assessment Result' form (See Appendix B).
2. Once an appeal (in writing) has been received, the National Training Manager will arrange for the assessment task/answer to be reviewed. The National Training Manager will consider the appeal application in consultation with the course trainer and an independent person/panel.
3. You will be advised of the result of the assessment appeal in writing within fourteen days.
4. If, after review, you are still dissatisfied with the assessment task result, you can appeal to the CEO of Train Me RTO for a further review, by completing and forwarding the "Appeal against Assessment Review" form (See Appendix C) for a second appeal. This second appeal must be lodged with Train Me within fourteen working days of the receiving results of their first review. The CEO will then arrange to review the assessment result (in consultation with another member of staff) and will then advise you of the decision.
5. If you are still not happy with the result you can contact ASQA (www.asqa.gov.au).

Completion of Assessment Tasks Outside of the Classroom

Where an assessment task requires completion out of class time (eg. Assignments, online learning, etc.), a final date for submission of the task will be set by the trainer. It is the responsibility of the participant to complete ALL assessment tasks required.

Plagiarism and Referencing

Plagiarism is the act of passing off another person's work as that of your own. Examples include copying the work of another person or summarising the work of another.

Any participant found plagiarising work will receive a non-completion result in the unit of competency or module attempted. Any person who knowingly aids another person to commit plagiarism will also receive a non-completion result as if they themselves had committed plagiarism.

If you quote from a text, website etc in your assessment tasks you are required to reference where you sourced that information including author or publisher, date of publishing (year) or viewed on website, name of publication and page number. This is stated immediately after the quotation.

Recognition of Prior Learning (RPL) and Recognition of Current Competencies (RCC)

Train Me recognises that you may be able to demonstrate a particular competency on the basis of prior learning, skills gained in the workforce, or skills otherwise gained.

Recognition of Prior Learning (RPL) can be granted if you can demonstrate competency in all the performance criteria in the elements of a particular unit of competency (from a training package) or all of the learning outcomes in a particular module (from an accredited course).

Participants must apply for RPL no less than two (2) weeks prior to the commencement of the course. *(See Appendix D for further detail).*

If you think you may be eligible for RPL in a prospective course you can call us to discuss your suitability. Supporting and current evidence must be submitted with your application. It is the participant's responsibility to provide the evidence to support their claim for RPL.

Appealing against an RPL decision

The RPL applicant may appeal against an RPL decision they consider unfair. In such circumstances the RPL applicant will need to state their case with any new evidence to the RPL Assessor. The same process as described in the previous section "Appealing an assessment decision" applies.

Appendix E: Train Me Mutual Recognition of Qualifications

Train Me recognises Australian Qualifications Framework (AQF) qualifications and Statements of Attainment issued by other Registered Training Organisations (RTO), in accordance with the Training Package Guidelines. If you have a current qualification from another Registered Training Organisation (RTO) that you wish to seek credit for (towards a course offered by Train Me) and as long as the relevant Training Package Guidelines allow it, you can apply to Train Me for Credit Transfer recognition.

You must make this application within one week of the commencement of the course. Supporting evidence must be submitted with your application. Original documentation must also be sighted and verified by Train Me. In addition, your qualification will be verified by the issuing registered training organisation.

APPLICATION FOR CREDIT OF CURRENT QUALIFICATION

Credit Transfer is given for a subject satisfactorily completed at another Registered Training Organisation (RTO) where the content and objectives of that subject are sufficiently the same as those for the present subject – that is, the evidence presented is of the same standard as that required in the benchmark and Credit Transfer is allowed according to the Training Package Guidelines.

For example:

A participant attends another RTO (eg: TAFE) and successfully completes CPCCLDG3001A – License to perform dogging and attains a Statement of Attainment from the Certificate III in Rigging with that organisation in October 2011. The participant now wishes to finalise the full qualification and attends Train Me to complete the remaining units of competency.

The participant provides the original transcript and Statement of Attainment (which is sighted and verified by Train Me). The participant obtains a Credit Transfer for CPCCLDG3001A – License to perform dogging, successfully completes the remaining units of competency from the full qualification (at Train Me) and obtains a Certificate III in Rigging.

Applicant to complete the following:

Applicant's Name			
Applicant's Address			
Applicant's Telephone Number	Home	Mobile	
Qualification for which Credit Transfer is being sought (e.g. CPCCLDG3001A – License to perform dogging)
